

## EspoCongressi 1 Sala Congressi Monte Morello

EspoCongressi Centre Coronado: technology and quality. The centre offers ideal working conditions amid the fascinating natural scenery presented by the beautiful region of Mendrisiotta. The Coronado has created infrastructure for its EspoCongressi Centre able to satisfy every requirement for the organisation of conferences, meetings, and other events, with numerous advantages thanks to its strategic location.

The Conference Room Monte Morello is equipped with everything necessary for high-level events. This room has individual access and may be adapted to any type of use: congresses, conferences and expositions.

The artificial light may be regulated to optimise the conditions for its presentations and video. The internal multimedia equipment guarantees high standards and is entirely compatible with all information, communication and media systems.
